ABREVIATURAS

CCM	Centro de control de motores
COE	Centro de operaciones de emergencia
DPS	Deformación permanente del suelo
FEMA	Federal Emergency Management Agency
IMM	Intensidad de Mercalli Modificada
L/D	Proporción de longitud con relación al diámetro de la tubería
LSI	Índice de intensidad de la licuefacción
MNR	Mampostería no reforzada
PGA	Aceleración máxima del suelo
PGV	Velocidad máxima del suelo
PVC	Policloruro de vinilo
RLM	Regresión lineal múltiple (análisis)
SCADA	Supervisory control and data application
SIG	Sistema de información geográfica
TBO	Terremoto moderado o de base operativa
TDD	Terremoto severo o de diseño
TME	Terremoto máximo esperado
